### Letter of Recommendation

With all due respect, I am writing this letter to recommend one of my students for your university. I recommend Miss Sasipa Techathanwisit for the confidence that she will be good candidate. Though knowing her as one of English Program students, she is diligent and go getter so that she does not hesitate when problems come and she has acquired certificates for well-behaved, good public mind, and leadership.

For these reasons I highly recommend Miss Sasipa Techathanwisit at your university.

Sincerely,

Miss Saowarat Jaroenworachai

Head of English Program, Mathayomwatsing School
